<b>*** FREE OLIVE GROWING MANUAL ***</b>									
		You will be aware that the AOA worked with RIRDC to produce the most practical and comprehensive up-to-date English language handbook for olive growers 'Olive Growing'. As a special offer this popular and informative 'Olive Growing' Book is being made available to every new member joining this Financial Year <b>FOR FREE</b> . 'Olive Growing' is an essential technical manual for growers, processors, technical experts, students and anyone with an interest in growing olive trees commercially.
